

My Thoughts after the Interview*

Strengths of the New Position (What I like)	Drawbacks (Concerns I have)
Perks (Salary, parking spot, laptop, bonus, Blackberry, etc.)	Challenges (Education, training, supervision, cultural adjustments, travel, hours, convert from hourly to salary, etc.)
Trusted feedback (I should go for it if offered)	Trusted feedback (I'm not right for this type of job)

**Jot down quick notes and impressions*
